**Subject:** RE: EPA Preliminary PFAS Results

Yes – but to clarify, do you mean the existence of the transmittal or the data results themselves?

So, yes, we mention that we're sharing data with FDA, per the direction last night.

And, yes, the results discussed in the briefing document are the same as the results in the draft data transmittal.

**Subject:** EPA Preliminary PFAS Results

Good morning

Attached please find the preliminary results of EPA testing of the fluorinated HDPE containers and the product of concern.

Let us know if you have questions

Thuy
